ABOUT THE COLLEGE

Gandhi Memorial College of Education traces its origin to department of B.Ed Gandhi Memorial College Fateh kadal Srinagar, Kashmir. GMC being second oldest college of the valley was established in 1943 and B.Ed dept. was added in 1955 and is the first private Teacher Training institute in whole J&K.

Higher educational opportunities were quite meagre seven to eight decades back in J&K especially in Kashmir valley with the result some visionary and philanthropic Kashmiri pundits felt the dire need to establish a community college of their own. Thus **Hindu Education Society (HESK)** came into being in 1942. The society was registered under the J&K societies registration act

Due to bad circumstances in 1990 in Kashmir it become imperative to shift B.Ed department to Jammu. This resulted in the establishment of camp college jammu. It started operating as Teaching Training College under aegis of Gandhi memorial College of Education Jammu.

GMCEJ is a self financing college and is affiliated to University of Kashmir. It is first private institution affiliated to University of Kashmir which **undertook NAAC Accredited in 2009** and was rated as Grade B. The college in its 2nd cycle of accreditation in 2016 was **rated as B+**. The college is included under section 2(f) and 12(b) of UGC act

Continuing with their vision of growth and diversification of academic activities for the college the management has successfully procured NOCS from Govt ,and affiliation from university for running
